# What is the GRASS CEILING online academy?

The GRASS CEILING MOOC, hosted on Moodle 4.5, aims to equip participants with knowledge to advance gender equality and leadership in agricultural and rural development sectors.

This MOOC is a free online course designed to **empower rural women** and strengthen their role in agricultural innovation and rural development across Europe. This course combines theory, practical examples, and case studies to help learners understand, support, and promote women-led socio-ecological innovations.

Each module includes:

- Learning objectives to guide your study
- Lectures with theoretical insights
- Case studies and practical examples
- Self-assessment quizzes to test your understanding
- “[Learn more](#)” sections with complementary resources

This course is **open to all**: whether you are a rural farmer, policymaker, researcher, cooperative member, or simply interested in gender equality in agriculture, GRASS CEILING offers valuable knowledge, practical tools, and inspiring examples to support women-led innovations.

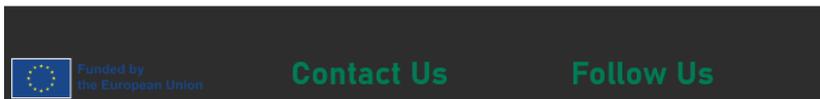

# How to create your student account

Follow these simple steps to create your account and start the course:

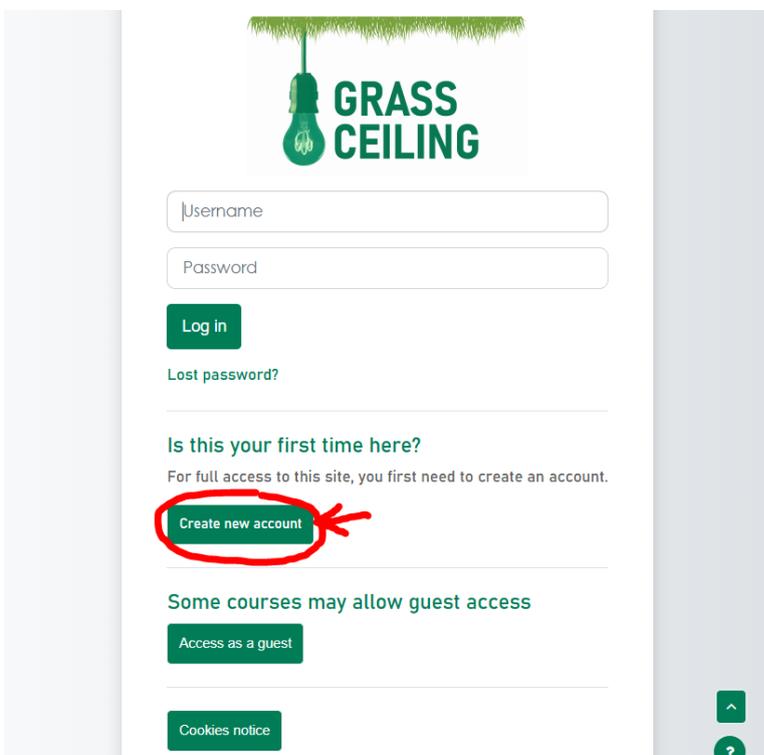

1. Go to the **MOOC website** ([link](#)).
2. Click **Log in** (top right corner of the screen) or go directly to **Available courses – Gender equality on rural and agricultural innovation systems** (scroll to bottom left corner of the screen).

## Available courses

3. Select **Create new account**.

## 4. Fill in your details and click *Create my new account*.
